※1 IJ's PIAFS service supports both PIAFS ver. 2.0 and 2.1.

※2 Please contact KDDI directly for Data On Demand (DAL) service. You can connect to Data On Demand's Access Point through au provided phones at Nationwide Flat Rate. Only ASTEL and Wilcom phones can connect to DOD (DAD) PIAFS access points. For further details, please contact each cell phone provider.

※3 ¥315/month optional charge is required to connect through AIR-EDGE services. AIR-EDGE supported phones are required to use this service.

※4 ¥5.25/10K optional data traffic charge is required for PacketOne service. (On-demand Packet traffic charge also applies.)

※5 ¥315/month optional charge is required for @FreeD service. @FreeD supported phones are required to use with this service.

※ All the above prices include Consumption Tax.

Warning: Long distance charge may apply even if the area code of where you are calling from and the access point's area code are same.

Incorrect dial-up settings cause unnecessary wrong number calls. Please make sure access point number settings carefully.
